LEVERAGE
23

We want you to join our VIPs at Leverage '23.

For free.

No, really.

Here's what that means:

Exclusive swag

VIP priority check-in

Sit front and center with power for your devices

Included breakfast at our luxury resort
Special sessions where you get to meet and network with the
keynote speakers and presenters

That last one is *really* cool.

Have you ever heard a great presenter speak and thought,
"I want to meet her"?

At **Leverage**, *we make that happen*.

Leverage '23 is different from other real estate conferences you
might have attended because we've seen what the others do wrong.

We get it.

You don't want more good advice without any idea of how to
implement it. You want action. You want real strategy that actually
jumpstarts your business. You want to move the needle.

That's what **Leverage** is. Come see for yourself.

If you **DON'T** have your **Leverage '23** tickets yet, now is the *perfect* time
to get them so you can participate in our
Golden VIP ticket upgrade event.

Hop on Instagram and check out our contest rules.
It goes through Friday.

Here's how it works:

- **Follow us**
- **Comment "Free VIP" in the comments on the post**
- **If your comment is the oldest comment WITHOUT A REPLY by 12pm MST Friday, you'll win a free VIP upgrade!**

That's it. Jump on over to our Instagram and get started NOW.
